

The place that brought
Louisville the
see-through restroom,
now brings us
international acclaim.

Welcoming. Surprising. Comfortable. Shocking. Cool. Not only does this describe the experience walking around 21c Museum Hotel, it sums up Louisville quite nicely. It's a city that nurtures the creative and imaginative, while remaining open, easy and friendly. And the rest of the world is beginning to take notice. Discover other Louisville surprises at www.PossibilityCity.com or help spread the word by joining www.FriendofLou.com.

Louisville
It's possible here.

← 21c Museum Hotel is named the #1 hotel in the U.S. #6 in the World in the 2009 Condé Nast Traveler's Readers' Choice Awards.
